

Payment Plans

Payment plans are offered to eligible students to pay for training fees in excess of \$570 by way of a direct debit arrangement.

A direct debit is a contract signed by a customer and a Biller (or Merchant) allowing the Biller to debit the customer's nominated bank account. A Direct Debit Request gives an organisation permission to electronically withdraw a nominated amount from your chosen account. Should you nominate to pay your training fees via a payment plan arrangement a Direct Debit request form (DDR) will be forwarded to you via email. Enrolment into your course will not occur unless the DDR has been fully approved and the registration payment has been made.

A schedule of payment instalments are automatically calculated on the DDR and instalment amounts are clearly outlined on your course registration form. You may select either a weekly or fortnightly payment option.

You may be eligible for a Payment Plan if:

- You have no outstanding debt with Medical Administration Training Pty Ltd
- The minimum training fee for the course is \$570 or greater
- You are over 18 years of age or older
- You have the financial capacity to pay the course enrolment fee at the time of enrolment
- You have the financial capacity to meet the agreed Payment Plan instalments
